# Why students use this brochure

This master brochure brings all AFI course options into one place so students can compare 1 month, 3 month, 6 month, and 1 year pathways before counselling.

## Course choice

Compare duration, fee, domain, and level before speaking with admissions.

## Learning format

AFI courses are structured around demos, assignments, reviews, and presentation output.

## Portfolio outcome

Students are guided toward visible work: boards, layouts, concept sheets, or case studies.

## Access note

Course content unlocks in the student portal after payment confirmation and active enrollment.

## Important syllabus note

Course contents keep updating based on market trends, software changes, student outcomes, and AFI faculty research. The course contents shown here are for reference and counselling discussion, not a frozen promise for every future batch.
