

Fashion Design Course Details

Art Fetchers Institute | Fashion - Interior - Graphic Design

Course overview

Beginner-friendly fashion design learning with illustration, textiles, pattern making, garment construction, styling, and more. Students compare certificate and diploma pathways with AFI admissions before choosing a batch.

Practical outcomes

Fashion illustration sheets, textile and fabric exploration, pattern exercises, garment construction practice, collection development, and more.

Career support

Portfolio reviews, resume guidance, interview preparation, internship guidance where available, and counselling on career options.

Admissions note

Fees, schedules, inclusions, scholarships, and payment plans can change by intake. Confirm current details with Admissions.
