

ART FETCHERS INSTITUTE

Graphic Design Brochure

Graphic design, branding, UI/UX, social media, and digital portfolio pathways

Admissions: +91 91520 14145 admissions@artfetchers-institute.ac.in

Portfolio-focused design education across Fashion, Interior, Graphic, UI/UX, Tech, and Creative Business pathways.

Use this brochure for counselling and planning. Final batch schedules, offers, inclusions, and course contents can be refined before delivery.

Studio practice

Portfolio reviews

Updated market references

Student portal access

Why students use this brochure

Graphic and digital design courses at AFI focus on layout, typography, branding, social media systems, UI/UX basics, software workflows, AI tools, and freelance

Course choice

Compare duration, fee, domain, and level before speaking with admissions.

Learning format

AFI courses are structured around demos, assignments, reviews, and presentation output.

Portfolio outcome

Students are guided toward visible work: boards, layouts, concept sheets, or case studies.

Access note

Course content unlocks in the student portal after payment confirmation and active enrollment.

Important syllabus note

Course contents keep updating based on market trends, software changes, student outcomes, and AFI faculty research. The course contents shown here are for reference and counselling discussion, not a frozen promise for every future batch.
